Note:														

a. The list should include all the beneficiaries who were with the institution for any part of the previous financial year. The total number should tally with the total of row (i) plus row (ii) of para 19 of part B of the application.

b. As far as possible the list should be separate for each identified activity or facilitate identification of beneficiary with an activity/component of the project.

c. The list should preferably in alphabetical order or some other well-defined order and followed from year to year.

d. The fact whether the beneficiary is residential /non-residential may be brought out in remarks column or in a separate column.

e. Wherever date of birth is not available approximate age of beneficiary(ies) may be indicated alongwith sufficient reasons
